PRODUCT MANUAL

BELLA 2 DRAWER TROLLEY BT10

Reliable Support for Every Procedure

The Bella 2 Drawer Beauty Trolley combines sleek design with practical storage. Featuring two spacious drawers, back-supportive pins, and side guards, it keeps your essentials organised and secure. Fitted with professional clear roller wheels, it moves smoothly around the salon, making it a reliable and stylish addition to any professional workspace.

Disclaimer

This manual is provided solely as a reference for the safe and proper operation of this model and must not be used for any other purpose. DSSE accepts no liability for any incidental, indirect, or consequential damages arising from the use of this manual or the equipment described.

The information contained herein is subject to change without notice and does not constitute a commitment by DSSE. While every effort has been made to ensure accuracy, DSSE assumes no responsibility for errors or omissions, nor any expressed or implied warranties, including but not limited to merchantability or fitness for a particular purpose. General Cleaning

- **Routine care – Dust regularly with a soft, dry cloth to prevent buildup.**
- **Mild cleaning – Use a damp cloth with mild soapy water for most surfaces. Wipe dry immediately with a clean cloth.**
- **Avoid abrasive materials or harsh cleaners, as they may damage the surface.**
- **Test first – Always test any new cleaning product on a small, hidden area before full use.**

Safety Information

- **To ensure safe use of this product, please observe the following precautions: Keep children away from the equipment; place it out of their reach.**
- **Use only as intended – The product must only be used for its designed purpose. Misuse may result in injury or damage.**
- **Weight capacity – Do not exceed the recommended weight limit. Overloading may cause product failure or accidents.**
- **Stable placement – Use only on a flat, level surface.**
- **Assembly and maintenance – Ensure all parts are correctly assembled and regularly check that fasteners are secure.**
- **Avoid modifications – Do not alter or tamper with the product, as this may compromise safety and void the warranty.**
- **Professional use only – This product is intended for professional salon/clinic environments and should only be operated by trained personnel.**

Maintenance

- **Regularly inspect all components and fasteners to ensure your product remains structurally sound and fully functional.**
- **Replace any damaged, worn, or missing components immediately.**
- **All maintenance should be carried out by a suitably qualified technician or tradesperson.**
- **Only resume use after proper troubleshooting.**
- **Keep moving parts (e.g., wheels, gas lifts) clean and free from dust or debris to ensure smooth operation.**
- **Use only manufacturer-approved replacement parts to maintain product safety and warranty coverage.**

WARRANTY PERIOD: 12 MONTHS

PARTS LIST

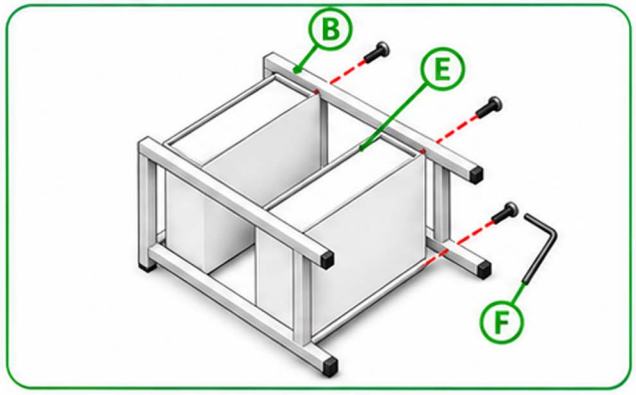

STEP 1 Attach left side frame

STEP 2 Install support rods

STEP 3 Attach right side frame

STEP 4 Install wheels

Screw the 4 castor wheels (G) into the threaded inserts at the base of the frame and tighten by hand.

STEP 5 Install drawer handles

4a Inside each drawer, unscrew the 2 screws and remove the handle.

4b Reinsert and tighten the 2 screws from inside the drawer.

STEP 6 Assembly complete

SAFETY WARNING: Ensure all bolts and fittings are securely tightened before use. Do not overload the trolley or use it as a step or seat. Always move the trolley carefully on level surfaces. Regularly inspect all fittings and castor wheels for stability and safe operation.
